11 This a federal habeas action which is proceeding under 28 U.S.C. § 2254. Petitioner has  
12 previously been granted leave to proceed with this action *in forma pauperis*. Petitioner now  
13 requests that the Court issue an "order of indigence" which would permit him to obtain certified  
14 copies of certain state court records at public expense. Petitioner asserts that these records are  
15 necessary in order for him to prove his federal habeas claims. However, this Court has no  
16 authority to direct the state courts to produce the requested records at public expense.  
17 Accordingly, petitioner's motion for an order of indigence (Dkt. No. 23) is DENIED. The Clerk  
18 is directed to send a copy of this Order to petitioner.

19 DATED this 5th day of August, 2008.
